Mayor Hansen called the meeting to order at 6:15 p.m. Dorothy Jeffery, City Recorder, acted as secretary.

Attorney Waddingham explained that he called the Emergency Meeting for the purpose of reviewing the economic reality of the proposal for law enforcement services from Millard County.

Mr. Waddingham said that he met with Millard County Auditor John Hansen prior to the meeting to obtain facts and figures regarding the proposal. He presented information to the Council for review and discussion. He also presented the following options for Council's consideration:

1. Council can decide not to contract with Millard County.
2. Council can contract just as Millard County desires to contract.
3. Council can negotiate a "Fair Contract".
4. Council could attempt to place the full burden of coverage on Millard County.

Attorney Waddingham explained that Millard County's expense per deputy is approximately \$40,000 - \$42,000 per year. A certain amount of the total is used for salary and benefits, but the remaining amount has not been broken down into expenses.

Mr. Waddingham reviewed the following increases in Fillmore City's contract since it began in 1983:

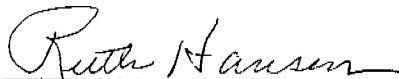

1983	\$60,000	\$15,000/Qtr.
1984	70,000	17,500/Qtr.
1986	78,840	19,710/Qtr.

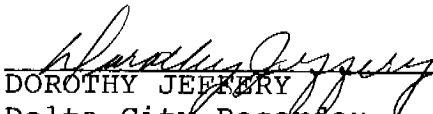

Mr. Waddingham indicated that the above increases are three times the inflationary rate.

Mr. Waddingham said that if Delta City is going to contract for Millard County Law Enforcement, the Council needs to decide when the increases will be and what and who will determine what the increases will be.

Mr. Waddingham said that he has asked Sheriff Phillips for a breakdown of costs per deputy excluding salary and benefits, but he has not received the information from Sheriffs Phillips.

Council Member Don Dafoe MOVED to adjourn. The motion was SECONDED by Council Member David Church. Mayor Hansen asked if there were any comments or questions regarding the motion. There being none, she called for a vote. The motion passed unanimously. Mayor Hansen declared the meeting adjourned at 6:55 p.m.
